## 2011-2012 Paschal High School Band Financial Assistance Application

It is the goal of the Paschal High School band staff and booster club to provide opportunities for all students to be successful. If financial concerns would potentially keep a student from participating in band, the booster club is prepared to assist that student in his or her desire to stay in our program. However, all students and family members must be aware that receiving any financial assistance comes with the responsibility of showing appreciation through student effort and family support of the Paschal Band. Any PHS Band member or family may submit a financial assistance application for band fees, trip expenses or private lessons.
